

VEGIWAX ©

Food-safe, natural wood wax for cutting boards, countertops, chopping boards, knife handles, salad bowls, wooden spoons, rolling pins, kitchen utensils, etc.

Also well-suited for maintaining smooth leather.

ADVANTAGES

- **Vegan wood care**
- Protects wood from drying out and extends its lifespan
- 100% natural ingredients
- 2-in-1 plant-based oils & waxes
- Alternative to beeswax-containing products
- 100% plant-based
- Free from beeswax, mineral oil, solvents, and preservatives
- Deeply nourishes the wood and protects against warping and cracking
- Provides the wood with a breathable, satin-matte finish depending on the wood type and surface condition

APPLICATION

- Clean the surface and allow it to dry completely before application.
- Use a kitchen towel, cloth, or simply your hand to spread the VegiWax on the wood surface and rub it in gently.
- Let the VegiWax absorb for 30 minutes.
- Wipe off any excess with a lint-free cloth and lightly polish to a satin shine.
- If necessary, the process can be repeated.

The information and recommendations contained herein are based on our research and are believed to be accurate, but no warranty, express or implied, is made or should be inferred. Purchasers should test the products to determine acceptable quality and suitability for their own intended use. Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.
